**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who depends on the superior value and performance offered by fiber from my new service provider. I depend on this service to allow me to work from home and also to afford the high bandwidth it provides. I was paying far more for a lower quality service from a major ISP. Because this fiber connection also provides phone service I am able to save over 50% over my previous communication costs. This is a good example of what healthy competition brings to the marketplace and it is a critical part of my life now.
